Scholarship Recipients Testimonials:

"I received the scholarship check today. Thank you so much for all your support!"

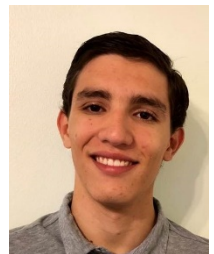

-Yutai Zhou (2015-2019)

"I wanted to say thanks again for everything the BOAPBC scholarship has done for me. Currently I am on track to receive two degrees in aerospace engineering and mechanical engineering in May of 2020. Through the extra funding received by the Building Officials Association of Palm Beach County over the last three years I was able to focus hard on school and extracurriculars which landed me a summer internship at SpaceX! Thanks again to the wonderful people who run this organization and scholarship."

-Gregory Hill (2016-2020)

After receiving the wonderful news that I had received the Charles O'Meilia Scholarship, I sent an email thanking the committee for the award as well as sending in a photo of my face. Since I begin college at FAU on Monday, I would like to know when and how I can accept the scholarship, preferably in time for me to use the money to buy textbooks! Thank You.

-Ryan Mechiat (2018-2021)
