State Director

Robert McDougal, CBO West Palm Beach
rmdougal@wpb.org

State Past President

Doug Wise, CBO Palm Beach County
DWise@pbcgov.org

Greetings on behalf of the Palm Beach County Chapter of the Building Officials Association of Florida. Our Florida not-for-profit organization is a professional association comprised of over 2,000 employees of Florida's building permitting and building inspection agencies entrusted to fair and consistent enforcement of Florida law and the Florida Building Code "to protect lives, protect property." We also form part of the International Code Council (ICC) comprised of 50,000 members worldwide committed to the goal of "People Helping People to Build a Safer World."

For 31 years, we've hosted our Charles R. Omeilia Scholarship Golf Tournament which exists solely to raise funds for our scholarship program. We provide multiple yearly scholarships to high school seniors and undergraduates enrolled in schools of higher education, primarily those related to the local construction industry. Eligible fields include architecture, engineering, interior design, construction management and the construction trades (electrician, plumber, a/c technicians, masons, etc.); thus we are writing a request letter to you. We seek donated door prizes, which will be distributed to all participants of the tournament. The event is scheduled for September 14, 2019 at the exclusive and prestigious **Wanderers Golf and Tennis Club** in Wellington, Florida. Sponsors will be prominently displayed and promoted in all advertising and promotional materials to all members and the day of the distinguished event.

Will you please be a part of this important initiative? We would like you to contribute in gift certificates or products. (If you would like to contribute a specific item that would fit in with a promotion you are currently doing, please let us know.) We expect participation of approx. 150 active players plus countless volunteers, family members, friends and spectators. It would be a great opportunity to highlight your organization in such a premier venue, help provide scholarships to future members of the building and construction industry and increase your brand recognition locally. We would be highly grateful should you be willing to donate any amount affordable. Please contact me via email below or at (561) 662-3601 with your decision. Thank you in advance for your time, consideration and generosity.

Cordially,

Joe Crisafulle
