RE: **2020 Charles R. O’Meilia Scholarship**
Valued at up to \$4000

Chapter of
**The Building
Officials
Association of
Florida**
Since 1974

The Building Officials Association of Palm Beach County has awarded the Charles R. O’Meilia Scholarship for over twenty years, a fact of which we as an association are very proud. The scholarship is open to a resident of Palm Beach County, attending or planning to attend college full time and majoring in Architecture, Engineering, Construction or Public Service.

Chapter of
**The International
Code
Council**
Since 2001

The Scholarship is \$1000 and is automatically renewed for up to 3 additional years provided the student maintains the eligibility requirements. To continue receiving the scholarship, the recipient must maintain a 3.0 or better grade point average, send a letter and copy of current transcript to the BOAPBC stating they are continuing their education and declaration of their major.

We raise all the scholarship funding locally, and as a result, we seek to award the funds to local worthy students. At this time, there is an available scholarship opening, which we plan to award to a single student for the upcoming 2020-2021 scholastic year.

If you are aware of a local deserving candidate for this award, please forward the attached application to the student so they may submit a completed application to the BOAPBC Nominating Committee. Mail all applications to the association P.O. Box listed below post marked no later than June 1, 2020. An award decision is expected on or before September 1, 2020.

For more info, visit the Chapter website at:

Sincerely,

Thomas Hogarth
